

NYC Organization of Public Service Retirees Says Pass Intro 1099

**Intro 1099 is NOT ILLEGAL. Counsel has not delineated the issues in writing.

** NYC Collective Bargaining Law and Taylor were passed in 1966. 12-126 was passed in 1967. It was written by CM Merola (BX), an attorney & amended dozens of times & never challenged. If you think it's illegal, a challenge can be decided by a Judge.

**The Taylor Law & NYC Collective Bargaining Law allow unions to bargain over wages, hours & working conditions. Retirees don't have those, and are not allowed in a union, as they cannot represent Retirees.

**MLC attorney Alan Klinger for Harry Nespoli admitted Intro 1099 is not illegal. (See Retiree YouTube channel to hear him say this)

** Ignoring seniors until AFTER the litigation, forces them to finance their own protections. Many are on small fixed incomes & we have financed this for two years.
