Re: NYC Organization of Public Services, Inc. et al. v. Renee Campion et al.
Index No: 158815/2021
Law Dept. No. 2021-028140

On behalf of Respondents and The Alliance, and pursuant to this Court's December 14, 2021 order (NYSCEF Dkt. No. 166), we write to provide a supplemental update to our February 18, 2022 submission (NYSCEF Dkt. No. 207).

In that most recent submission, we informed the Court that The Alliance intended to complete supplemental telephonic outreach to Priority 1 and 2¹ Florida providers by today. *See* Feb. 18 Ltr. NYSCEF Dkt No. 207, at pp. 5-6. We write to inform the Court that that outreach has in fact been completed – 1431 Priority 1 and 2 Florida providers have been reached overall, with the majority in the past week. The Alliance has also completed telephonic outreach to all 331 Florida providers identified in the affidavits and other reports submitted by Petitioners.

We thank the Court for its consideration, and look forward to discussing these issues with the Court at Monday's conference.

Respectfully submitted,

/s/ Michael E. DeLarco
